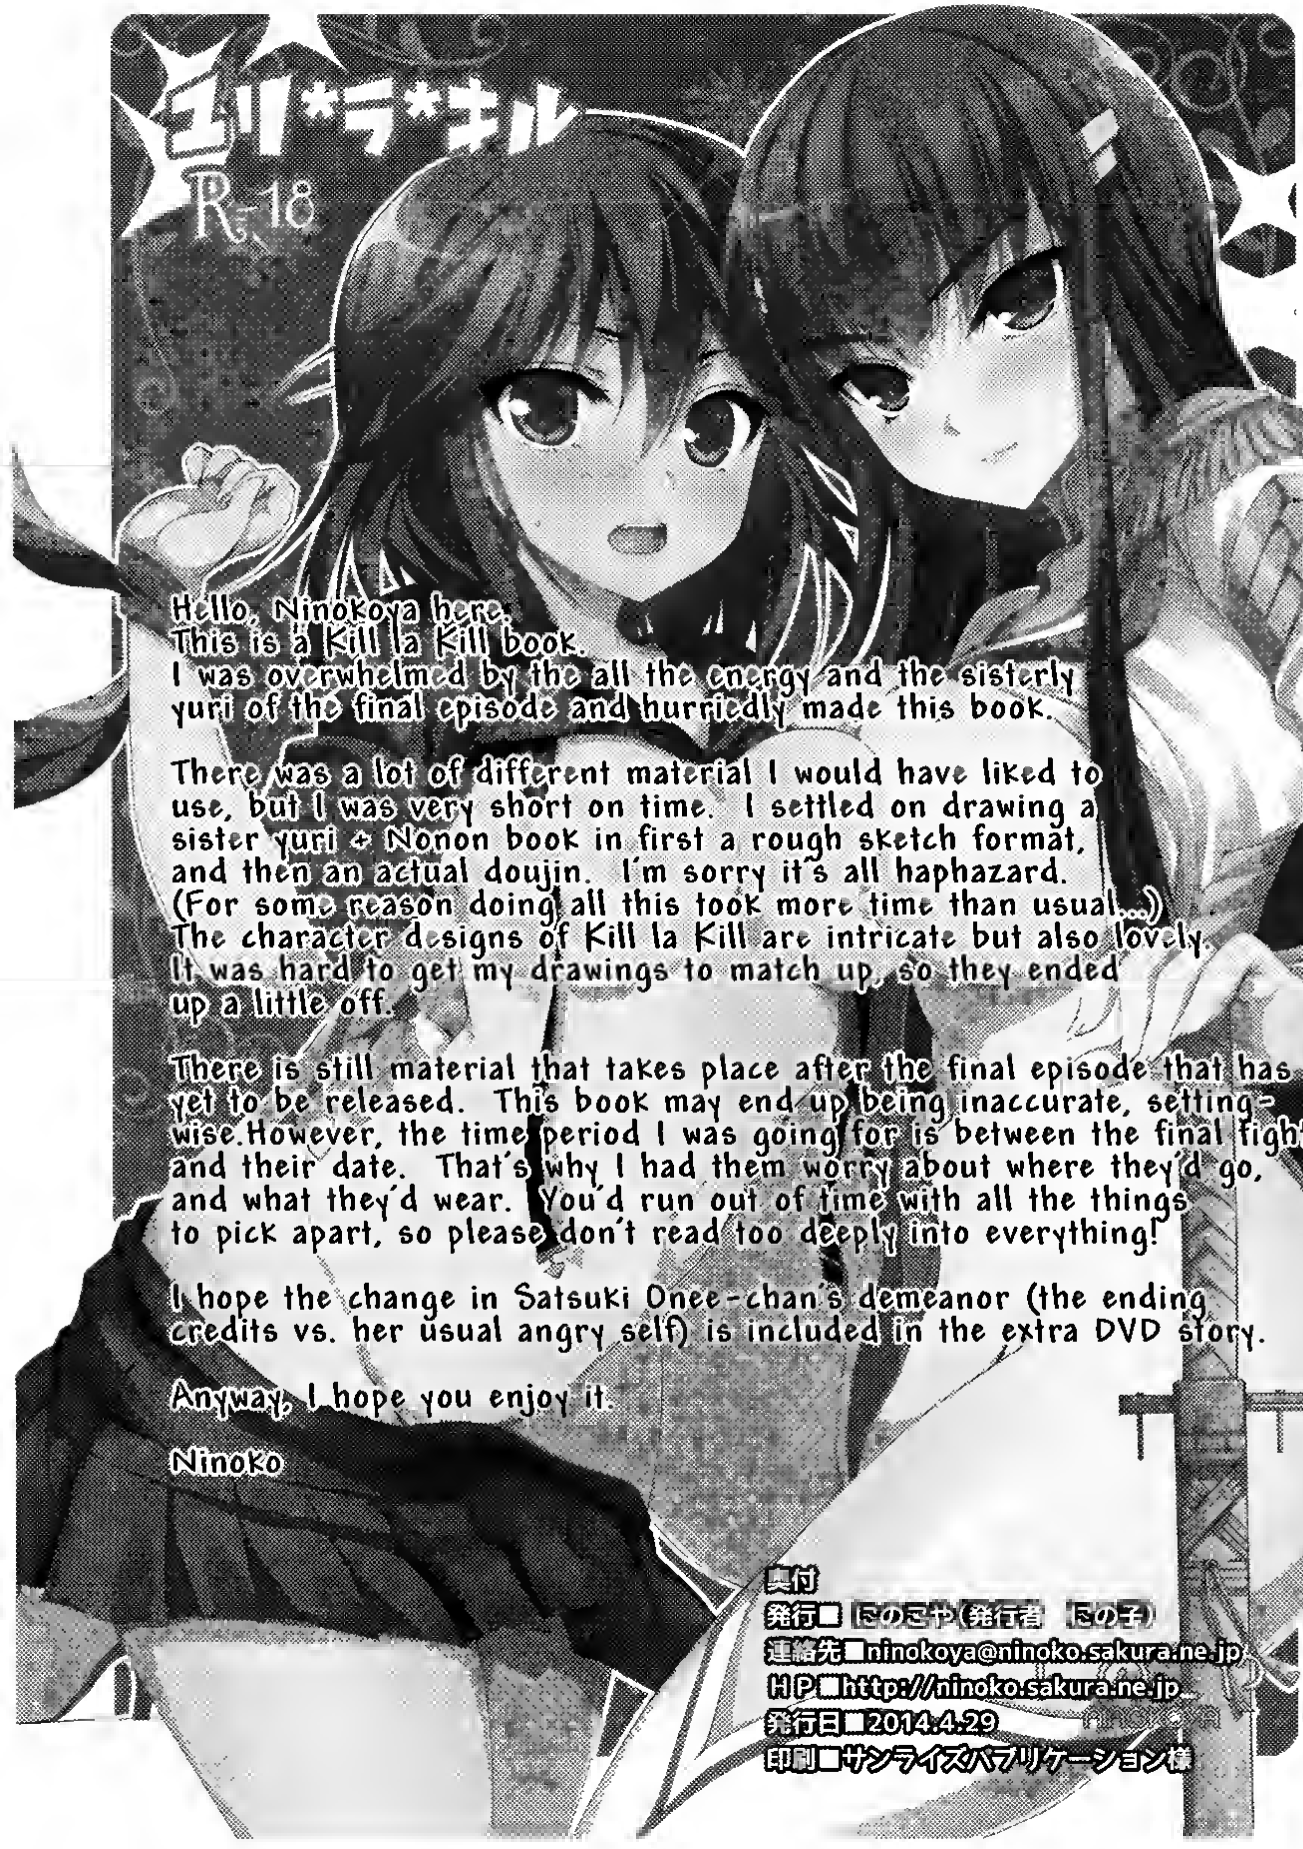
NINOKOYA



Hello, Ninokoya here.
This is a Kill la Kill book.
I was overwhelmed by the all the energy and the sisterly yuri of the final episode and hurriedly made this book.

There was a lot of different material I would have liked to use, but I was very short on time. I settled on drawing a sister yuri + Nonon book in first a rough sketch format, and then an actual doujin. I'm sorry it's all haphazard.
(For some reason doing all this took more time than usual...)
The character designs of Kill la Kill are intricate but also lovely. It was hard to get my drawings to match up, so they ended up a little off.

There is still material that takes place after the final episode that has yet to be released. This book may end up being inaccurate, setting-wise.However, the time period I was going for is between the final fight and their date. That's why I had them worry about where they'd go, and what they'd wear. You'd run out of time with all the things to pick apart, so please don't read too deeply into everything!

I hope the change in Satsuki Onee-chan's demeanor (the ending credits vs. her usual angry self) is included in the extra DVD story.

Anyway, I hope you enjoy it.

Ninoko

W-Where do you think you're touching!?
Waahhh!?
Inside the Mankanshoku residence's bath
The Ryuuou's purification ceremony
I told you that I'd wash your body.
I can do that on my own!
Hyaaah!

Ahhh!?
Fuah!
That place is dirty!
Nothing will stand in the way of washing my little sister's body.
Wait... seriously!
Hold it... please!
Nee-san...
Nee-san!
Wahhh!
Waaa ahhhh!

Stop...
...I can't?
...Eh?
Here you go, Ryuuko. I'll give you a massage.
Hehehe
Hyah!
W-What are you...
Your face is scary looking!
You look like Ragyo!
I didn't even know my little sister's name... I thought I would never see her again.
My mother told me that she was dead.
I said that there wasn't a need for us to act like we were sisters, but... I at least was looking forward to living a normal* lifestyle with you.
*Normal according to the Kiryuuin household

...I guess it's all right then
Wash me until your heart's content!
!!
...
O-Oh okay...
I will... Thank you!
Ah! But...
You need to take it easy. You've been acting like a perv with your hands...
Hyaahh!
Hey..!!
A-And I just told you to watch it!

Mmf
A-
ahhh
Mmm
Mmf
Mmm
Hyah!
haa

Aaahhh!
Squeeze
schlick
schlick
schlick
schlick

Hyahhh!
schlick
Stop that!
Don't...!
Ryuu-ko, don't call me "Sat-suki"
It's "Nee-san", okay?
Sa-tsu-ki!
Aahh!

Aaahh!
schlick
Haa...!

Aaahhhhhh.....!
Nnn...
Hmmm?
Ryuu-ko?
What's wrong?
Ngyaaaaaaahhhhh!!!!

You...
STUPID PERVERTED SISTER!!!
*She had Ion make her a replica Goku uniform
I see.
And so you want to make up with her, correct, Satsuki-sama?
That's right, Nonon.
Would you please help me out?
Also, Satsuki-chan is fine.
Though she's adorable when she's angry
Little sisters are truly a wonderful thing. Not to mention Ryuuko is like me, and she's strong willed.
That's right, Satsuki-chan has a sister complex.
Grrr, damn you, Matoi... I'm jealous!
I understand, Satsuki-chan You can leave this to me
She started bragging about her love
Matttoi!
I'm going to get you!!

To put it simply, Satsuki-chan
you lack technique!
If you can skillfully take the lead,
I'm sure Ryuuko-chan would be happy.
Satsuki-chan, did Ryuuko-chan not enjoy it?
Hm? Hmm...
Maybe she was only embarrassed...
Tech-nique and taking the lead...
I see.
That's right
An older sister needs to show her little sister the right path
I need to guide her... You're right.
...!
Is it okay... for me to be forceful?
That's a lie.
A maiden's heart is delicate When it looks like she's hesitant is when you need to be forceful
Yes. I'll give you a better example

All right, can you relax?
Mato Ryuuko took the lead over me.
A-ah...
Satsuki-chan
Your skin is soft and smooth
Satsuki-chan, spread your legs
But Nonon's the only one who can have her way with Satsuki-chan's skin
Nonon... This position...
It's kind of... embarrassing...
But she always posed like this while wearing Junketsu.
You'll have to bear with it. This is practice
Caress
Opening up your lover's body like this is a part of
an older sister's guidance.
Spread
...Ah!

Ah-aah!
Satsuki-chan's taste.
It's deli-cious.
Ah-No-no-n!
slurp
Mmm
mmf
Aaah!
Hehe, you're all wet. You're ready to go now.
You'll be able to use your older sister power and make Ryūūko go crazy for you and shut her mouth!
slurp
suck
slurp
suck

A-ah!
You want it, huh?
Up next... is even more stimulation.
Aah
hah
Aah
...NK!
It's twitching down here like it wants attention
I'll be able to get this in easily
SLOSH

Fuaahh!
Keep taking it in!
More, more!
Ah... hah!
Ah Ah Aah!
Sto.... mmmh!
I'm impressed, Satsuki-chan. You're very adaptable
Ha
Han
Nonon can't.

Ah~
slosh
wait any longer!
Schlick
aaaahhhh!!!
ah-
Hya-
Sat-suki-chan! To-gether!

You still have plenty to learn
I've got much more to teach you so that you can form a strong bond with Ryuuko-chan
Put a XXX in her YYY
And then use a ZZZ to QQQ her and NNN... and try WWW on her UUU, too!
Hmm, hmm, I understand
The next day -

I did exactly what Nonon said and came prepared. All that's left...
...is to give her the sincerest of apologies...
Nee-san...
Ryuu-ko
Sorry! My apologies!
Huh?
I thought about it afterwards.
You were never able to live a normal life.
You don't understand how to interact with a new little sister you suddenly have.
And having that mother raise you didn't do you any favors...
We just need to take it slow... and get to know each other...

Ryuuko!
Thank you, Ryuuko!!
What are... these?
...?
Pro-duced by Nonon

DEPRESSED
...!
I've studied the correct methods of physical intimacy between sisters...
I'll show you the way from now on!
Now come! Let us understand each other as sisters, Ryuuko!
ANGER
ANGER
ANGER
I knew it! You ARE a pervert!
Ehhh!?
W-Why, Ryuuko!?
sniff
...Ryuuko won't come out from under the futon.
What do I do now?
sob
Gaana
sob
sob
cry
Ehhh?
JUST AS PLANNED!
Sis-
Gon!
